ADDITIONAL EMPLOYMENT/ADDITIONAL PAY
ADDITIONAL EMPLOYMENT

Prior to initiating any of the following additional employment actions, reference the appropriate academic or staff personnel program policies or related labor contracts.

General Procedure

The procedures described in this section are for an employee who begins a new appointment, while still working under the current appointment.

For Staff employees, an additional appointment would need to be initiated in the following situations:

- additional employment in a different department
- additional employment under a different title code
- additional compensation as a UNEX instructor
- addition of a 'without salary' appointment
- dual employment in another department

For Academic employees, an additional appointment would need to be initiated in the following situations:

- temporary replacement of existing employment
- addition of a 'without salary' professorial appointment in a department other than the home department
- additional compensation as a UNEX instructor
- additional research/lecturer appointment (if the primary appointment is less than 100%)
- summer salary for 9-month academics

Reminder: Use <F1 Help> for assistance in entering data.
To Begin ...

1. Access the Function Code Menu (BUND).

2. At the Next Func line, type ADDL to select Additional Employment.

3. Type the ID number, name or social security number of the employee and press <Enter>. The EAPP-Appointments/Distributions screen displays the current employee data.
Appointment and Distribution Line Procedures

Use the following procedures to add or change appointments and/or distributions. When changes are required, this is indicated in Notes and Tips within the procedure:

Navigational Tips:

- The <Tab> key can be used to move the cursor from one modifiable field to another.
- To go directly to an existing appointment or distribution line; Type "GOTO nn" (i.e., nn = an existing appointment or distribution number) to place the cursor on the screen which contains information associated with the specified appointment or distribution number.

Ending the current appointment or distribution:

1. Tab to the Appointment End Date field and type the new end date.
2. If the Appointment Duration is "Tenured" or "Indefinite", type asterisk (* ) to delete the current information.
3. If applicable, tab to the FTE field and type asterisk ( * ) to delete this information.
4. Tab to the Distribution End Date field and type the new end date.
5. Repeat for multiple distributions, if applicable.
Appointment and Distribution Line Procedures (Cont.)

Adding a new appointment or distribution:

1. Tab to the command line.
2. Type "ADD A" to assign the next available appointment number, or type "ADD nn" (i.e., nn = 10, 20, 30) to assign a specific appointment number.
3. Press <Enter> to display the EAPP screen with the new appointment line.
4. Enter data in the required fields on the EAPP screen.
5. Tab to command line and type "ADD D" to assign the next available distribution number, or type "ADD nn" (i.e., nn = 11, 21, 31) to assign a specific distribution number in conjunction with the appointment number.
6. Press <Enter> to position the cursor at the new distribution line.
7. Enter the data in the required fields on the new distribution line.
8. If applicable, repeat step 5 to add additional distribution lines or use the "COPY" function (described below or refer to the User's Guide.)

Copying an existing appointment or distribution line:

1. Tab to command line.
2. Type "COPY xx to yy" to copy data from an existing appointment or distribution line to a specified new appointment or distribution line (i.e., xx = existing appointment or distribution line number; yy = specified new appointment or distribution line number).
3. Press <Enter> to display the new line with the specified appointment or distribution number (all other fields will be identical to the "copied from" appointment or distribution line).
4. Enter the data to be changed in the required fields on the new appointment or distribution line.
5. If applicable, repeat step 2 or 3 to copy additional appointment or distribution lines.
